

**ALSTRIP 5L & 20L** – Industrial paint and glue remover

**ANTI-BAC CLEANER 500ML** - Sanitising detergent for hard surfaces. Available with or without fragrance.

**GLASS CLEANER 500ML** - Anti-fog cleaner leaves your glass crystal clear for longer. For all windows, glass surfaces and mirrors. Streak free results with added anti-fog polymer.

**DEEP BLUE AQUA GEL WASHROOM CLEANER 500ML & 5 Litres**

All round cleaner for all washroom surfaces. Use on sinks, taps, showers, baths, tiles and toilets. AQUA GEL removes grime, scum and limescale leaving a fresh, clean fragrance.

**HAND CLEANSING CREAM WASH 1L & 5L**

A luxury hand cleanser which combines a rich creamy consistency with highly effective cleaning action. Based on soaps, surfactants, coconut oil derivatives and natural citrus oils together with pumice to give a cleanser which is effective against oil, grease, tar and inks.

**BACTERICIDAL PEARLISED HAND SOAP 1L & 5L**

A mild but effective unperfumed skin cleanser incorporating powerful bactericides which work together to control most common micro-organisms. When used regularly it will significantly reduce the risk of cross-infection.

**DEEP BLUE BLEACH & THICK BLEACH 5L**

BLEACH is suitable for deodorising and disinfecting purposes in drains, toilets, floors and refuse areas. It kills bacteria and will also eradicate slime, moss and fungi on walls and masonry.

**CARPET CLEANER SHAMPOO 1L OR 5L**

Super concentrated polymer based carpet cleaner suitable for all spray extraction, spotting, pre-spraying and traffic lane cleaning applications. No tacky residue to quickly re-soil.

**ZORBA 400g**

Super absorbent polymer for body fluid spills. Supplied in a handy shaker pack. Sprinkle over spill then just scoop or vacuum away. Works on carpets.

**LEATHER CLEANER 500 ML**

Complete leather care in one bottle. Contains effective cleaners and restorative waxes. Use on all leather upholstery and accessories including car seats, sofas, handbags and jackets. Removes grime, reduces cracking and leaves leather soft and supple.

**DEEP BLUE DISHWASHER DETERGENT 5L & DEEP BLUE DISHWASHER RINSE AID 5L**

**DEEP BLUE FRESH GUARD LEMON & LIME 5L**

A fresh approach to disinfecting, as not only does Freshguard kill bacteria and other micro-organisms, it will also leave surfaces with a fresh aroma which lingers long after being cleaned. Freshguard can be used for all general disinfecting and is available in a lemon and lime fragrance.

**DEEP BLUE HAND SANITISER 1L / 5L / 20L**

70% alcohol which quickly kills residual bacteria and viruses. It also contains conditioners to help keep skin supple but dries quickly and is non-greasy. It meets the requirements of a sterilising hand gel for control of infections such as MRSA, Coronavirus and swine flu as recommended by The World Health Organisation.

**HEAVY DUTY CLEANER 100X (HDC) OCEAN FRESH BLUE OR YELLOW FLOOR CLEANER 5L & 20L**

A multipurpose cleaner & degreaser. Can be used in a range of cleaning jobs including paintwork, floors, walls, tiles, worktops, windows, cookers, plastics. Dilute at 20:1 for heavy grease or fat, 50:1 for floors and general grime, 160:1 for light mopping or wiping of surfaces. A little goes a long way.

Hand pumps are available for the 5 & 20 litre drums to help economical dispensing.

#### **DEEP BLUE ODOUR BUSTER OCEAN FRESH 5L**

Binds and chemically neutralises odours – not just a masking agent, kills odour causing bacteria and moulds and replaces malodours with OCEAN FRESH fragrance. ODOUR BUSTER removes unpleasant odours by binding with odour causing compounds such as fatty acids, mercaptans, thioethers and sulphides which are then neutralized. Contains a biocide which acts effectively against a wide range of bacteria, fungi and moulds which may produce odour causing compounds and leaves behind a persistent fresh, clean fragrance. It is effective against odours from human and animal waste, food and smoke. Use in a variety of applications including; carpets and upholstery, toilet areas, refuse storage areas, skips and food waste.

#### **DEEP BLUE ODOUR MASK 1L & 5L**

This product has a wide range of uses as masking agents and deodorants. Effective against foul odours, non staining, safe on all laundry applications, long lasting results even at high dilutions. Suitable for use through automatic spraying equipment or by hand spray. Hand spraying - Dilute with up to 50 parts water for use as a space spray, air freshener and deodoriser. Drains - Use diluted up to 20 parts water to mask foul odours from drains or refuse. Laundries - This product is water based and may be added to the wash or final rinse as a deodoriser. Particularly suitable for man made fibres and institutional use.

#### **DEEP BLUE SALSAN DISINFECTANT 5L**

A versatile All-In-One Disinfectant which can be used on almost any surface including skin. Use as 'no-rinse' sanitiser for work surfaces, high risk contact surfaces, work equipment, vehicles, tiles, plastic seating, sinks and toilets. Salsan complies with the requirements of the UK Food Standards Agency for food preparation and storage areas, it can be used with confidence in food preparation areas and on processing equipment. Can be used for fogging offices, hotels, vehicles and all workspaces. Kills airborne pathogens, removes odours and leave no residue behind.

#### **DEEP BLUE BILGE CLEANER 1L, 5L & 20L**

Can be used for cleaning bilges, fish holds and working areas. Non-flammable, leaves a fresh smell and can be used in fresh or salt water.

#### **DEEP BLUE SANITISER 5L & 20L**

Deep Blue Sanitiser is a detergent cleaner which contains a combination of biocides giving effective kill of bacteria, fungus, mould and viruses including Hepatitis and HIV. It may be used on all water washable surfaces to clean, sanitise and remove odours. Suitable for carpets, upholstery, hard surfaces, floors, walls, washroom surfaces, tiles, etc.

#### **SCS300 XTRA FOOD SAFE ALK. DETERGENT 20L**

A powerful alkaline detergent sequestrant solution with many cleaning applications, particularly effective on grease and fats. SCS 300 Xtra is food safe and will not taint when used for cleaning tanks and vats or bottle washing. Not suitable for aluminum.

#### **ICE MELT GRANUALS 5KG & 15KG BUCKETS**

Fast acting, low corrosion, granular product for clearing ice. Works at lower temperatures and causes less damage than rock salt. Use on roads, paths, drives, yard areas, ramps, loading bays, steps and forecourts.

#### **RUST CONVERTER 1L & 5L**

Rust convertor reacts on a molecular level with rust to create a hard layer of insoluble compound. Stops corrosion and allows for over painting if required. No need for sanding, shotblasting or wire brushing. Use on any rusted metal surface including chassis, plant, ships, pipework, marine equipment etc.

#### **RUST REMOVER / CONCRETE CLEANER**

An acid based cleaner with strong descaling action for cleaning concrete and brickwork and de-rusting ferrous metals. Fast acting – bites into heavy scale in minutes. Concentrated – Dilutes with water for economy. Will remove grime and mortar splashed from brick and stonework. Ideal for renovation of old or dirty concrete and removal of rust deposits from ferrous metals.

#### **IODOPHOR DISINFECTANT**

An antiseptic disinfectant for control of disease and infection and for general sterilizing. Safe for skin once diluted. Ideal for foot-baths. Kills all bacteria in hard or soft water. Higher kill rate than phenolic or quaternary ammonium disinfectants. Iodophor disinfectant is the ideal cleaner and sterilizer for hospitals, pit head baths, swimming pools, sports centres, piggeries and other agricultural uses. Speed of kill makes it excellent for footbaths and animal disease control.

#### **PERACETIC ACID**

A powerful liquid terminal sanitizer for use in the food and beverage industry. A stabilized blend containing Acetic Acid and Hydrogen Peroxide.

#### **SODIUM HYPOCHLORITE**

Concentrated bleach with sodium hypochlorite. For use as a cleaner, whitener and disinfectant. Dilute before use with water as required.
