2 PLY CENTRE PULL ROLLS & DISPENSERS

Strong and absorbent, Centre Pull Rolls provide excellent drying and wiping properties in kitchens, washrooms and many other areas. They are available in either White or Blue. All multi ply products are edge embossed and perforated.

FOLDED HAND TOWELS & ROLL TOWELS & DISPENSERS

A most cost effective method of hand drying is by individual heavy weight towels. Our range comprises of both C-Fold, Z Fold and Inter Fold Towels. All are produced in heavily embossed Green, Blue and White recycled paper. For the luxury market we can supply a soft 2 ply white towel.

CONVENTIONAL TOILET ROLLS & DISPENSERS

A well presented economical range of soft standard conventional toilet tissue in 200, 320 & 240 sheet rolls in 2 and 3 ply format. The 200 and 320 sheet rolls are wrapped in packs of 4 with an outer containing 36 rolls. Our 240 sheet product is available as a soft white 2 ply and a premium 3 ply. Both have outers of 36 rolls.

SYSTEM TOILET TISSUE & DISPENSERS

Where more control is required we offer a variety of toilet tissue dispenser systems. Bulk Pack is a traditional top up dispenser ensuring the product does not run out and supplied in 1 or 2 ply. Other system formats include Matic 2 roll, Micro Jumbos, Coreless and System 71.

We have our own range of cleaning chemicals and are able to supply custom formulated products for a specific need. Tell us what you want to clean and we will find a product! Available in 1L 5L 20L Drums & 500ml Triger Sprays.
