

# Safety at Sea

**NEW MCA  
EPIRB / PLB  
REGULATION**  
All existing vessels have until  
23 October 2019 to comply.  
New vessels must comply immediately

EPIRB (Emergency Position-Indicating Radio Beacon) and/or PLBs (Personal Locator Beacons) with built-in GPS receivers capable of transmitting the position to a satellite:

- All vessels of 10m (L) and over will require an EPIRBS (though vessels operated single-handed may replace the EPIRBS with a PLB); or
- All vessels of less than 10m (L) will require an EPIRBS or PLB for all crew members

## RESCUEME PLB1

Wherever you are, at sea or on land, the rescueME PLB1 provides the reassurance that global emergency services can be alerted by the press of a button. The rescueMe PLB1 can be operated with a single hand in even the most challenging situations.

- Waterproof to 15m • 30% smaller by volume • Easily fits in lifejacket • Retractable Antenna
- 7 Year Battery Life • 7 year warranty • 24+ hour operational life • High intensity (1 candela) strobe • 66 channel GPS receiver • Unique mounting clip • Operates on the global Cospas Sarsat rescue system • Fast accurate positioning • Homing beacon to aid final location by search and rescue craft • Free to use, no subscription charges • Supplied with free flotation pouch

## 3Si GUARDIAN EPIRB (CAT 1) (Available by special order)

- Emergency Locating Beacon • 406 MHz satellite operation • 121.5 Homing Beacon • Automatic release when submerged • Built-in GPS • 406 MHz Satellite Search and Rescue transmitter
- Notifies authorities instantly if you are in a distress situation anywhere in the world • 121.5 MHz Homing Beacon transmitter • Allows nearby rescuers to home in on your position • Category I auto-release bracket with hydrostatic release • Beacon deploys automatically if the vessel sinks
- Built-in GPS receiver for faster and more accurate position indication • Allows rescuers to pinpoint your exact location • Five-year, non-hazmat battery • Unit will operate for at least 48 hours when deployed, even after five years with monthly self-test.
